Armistice Day Remembrance – 11th November

As part of our Armistice Day Remembrance on 11th November, as a school community, we took part in a two-minute silence to remember the men, women and animals who have served and sacrificed during times of war and conflict.

The children spent time reflecting on the importance of remembrance, and to mark the occasion, they created thoughtful drawings and pieces of writing that demonstrated their understanding of remembrance and the importance of peace. Their work was proudly displayed around the school, and we would like to share some of their wonderful creations with you in the photographs below.

Equality, Diversity & Inclusion

As part of our protected characteristics focus on disability, pupils reflected on a scenario where a child who uses a wheelchair was excluded from a class trip because it was considered "too difficult" to include them. Their responses demonstrated a strong understanding of equality, inclusion and fairness. **Hannah in Year 6** stated that ***"everyone should be allowed on the trip",*** while **Thea in Year 6** added that ***"this should be the case no matter what their disability is".*** These responses show that pupils recognise that disability should not be a barrier to participation and that everyone deserves equal opportunities to be included in school experiences. Thank you for your responses. We hope to see more for our next scenario.
