Dear Parents and Carers,

As part of our continued efforts to ensure our parental community are fully informed about life at Wickham Common, we are in the process of making some changes to our school website. Whilst these changes will be ongoing and are very much a work in progress, I would like to draw your attention to some of the changes that we have made so far.

Primarily, the changes have taken place on the Curriculum Overview page to make information available to you in a more purposeful manner, as well as to make the page itself easier to navigate. You will now find that Year Group curriculum pages are grouped by Key Stage, documents relating to Core subjects and the Wider Curriculum have been given their own tabs and our Personal Development Statement has been updated.

Under the Other Curriculum Documents, you will also find the slides from our most recent Parental Workshops. Our next workshop, Online Safety, will be hosted by Mrs Rodger and take place on 4th February.

Please see below for the hyperlinks to the pages mentioned above:

To sign up to Mrs Rodger's Online Safety workshops, please login to Arbor, you will find the workshop under the Clubs section.

If you have any questions about the website changes, our program of parental workshops or the Curriculum itself please do not hesitate to contact me.

Many thanks,

Mr B Slack
