Dear Parents and Carers,

As you may be aware, twice a year we offer our parental community the opportunity to share your opinions about different aspects of the provision offered by Wickham Common. As such, I'd like to invite you to complete our Spring Term Parental Survey.

Usually, when we launch a Parental Survey, it is accompanied by an overview of our actions based on your feedback from the previous survey cycle. Ordinarily, any survey statement with 10% or more 'Disagree' or 'Strongly Disagree' is discussed fully by our leadership team and any feedback shared directly with you. However, on this occasion, none of the statements reached these criteria. That does not mean that we have not listened to your feedback and comments, we will just not be responding in specific actions on this occasion.

As before, you will notice that there are several questions that offer you the opportunity to provide a write-in answer if you so choose. Again, all of these answers are read and can help to provide nuance in helping us to understand the parental viewpoints.

The survey is open now and will remain so until Friday 21st February. The survey can be accessed [here](#) or by scanning the QR code below. There will also be iPads available during our Parental Consultations if you would wish to complete the survey on site.

Please do take the time to complete the survey as it is your opportunity to help shape the future of our school and I'd like to assure you that we take any feedback, both constructive and complimentary, seriously.

Many thanks,

Mr B Slack
Assistant Headteacher
