25th April 2025

Dear Parents and Carers

Following a recent audit, Harrison's are asking parents to complete the attached allergen form. Please only complete the form if your child has been **medically diagnosed with a food allergy or intolerance**. Please complete the form even if you have completed one previously.

All forms need to be returned to the school office no later than the **2nd May** if you wish your child to continue to receive a school meal. Harrison's will be unable to serve meals to children where they do not have a completed form with effect from week commencing 5th May.

Harrison's allergy management process does not provide/allow for '**partial allergies**' as they class this as 'cannot have'. They will therefore not be serving partial allergies moving forward. An example is where a child can eat a product if it is cooked but not raw. Please follow the link for further details. [Food Allergies and Food Intolerances - Harrison Catering](#)

If your child has a Dietary preference, e.g. Vegetarian, or for religious reasons, you do not need to complete the allergen form, but please email the school office, (or update Arbor) with any dietary preferences.

Kind regards

Mr B Slack
