5th December 2025

Dear parents, carers and children,

The festive period is certainly upon us and staff and children are working tirelessly in preparation for our upcoming Christmas performances. Next week, **our lower school Nativity performances** are taking place on **Tuesday and Thursday** doors open at 1.45pm. Just to clarify, if you have siblings in Key Stage One you need to bring your allocated tickets (regardless of the day it says on the ticket) on the day you come, in order to gain entry.

The following week, our **KS2 Carol Concert** will be taking place on **Monday 15th at St. Francis in West Wickham**. Can I please take this opportunity to ask any KS2 parents who have not done so already to let us know if your child will be attending by completing this short [Form](#). We know how excited our pupils are to be taking part in these festive performances and we look forward to sharing the results of their hard work with you.

Our chosen charity to support at this time of the year is **Shelter, nominated by our school council**. During our Nativities and Carol Concert will be collecting monetary donations so please bring some coins or notes if you are able to spare anything for this worthwhile cause.

I would like to **extend my heartfelt thanks to our incredible PTA** who dedicate so much time and energy to making the run up to Christmas even more exciting for children and families alike. The **wreath making** evening this week was a huge success with a wonderfully festive atmosphere, the children loved the Christmas shopping event **Elfridges** and we still have a **reindeer** visit to look forward to before the end of term. The PTA will also be providing refreshments before the Nativity performances and will be delighted to talk to members of our school community who may wish to support future events.

Our sporting success has continued again this week. On Tuesday, a team of Year 5 & 6 children took part in an **indoor athletics event** at Langley Park Boys School, supported by Mrs Horton. Following an incredible team performance, the children finished third overall. Our **KS2 boys and girls football teams** won 5-1 and 2-0 respectively against Green Street Green this week and have now finished top of their respective leagues. We look forward to sharing more sporting success with you in the New Year and would like to thank everyone – staff, coaches and children – for making this term such a memorable one.

Speaking of sport, I would like to acknowledge the ongoing **partnership we have with Beccehamians Rugby Club**. They are always keen to welcome new players, and we are thrilled that many of our pupils are active members, regularly taking part in training sessions and tournaments. Their involvement not only strengthens their athletic skills but also builds character, teamwork and resilience.

Unfortunately, some of the festive cheer has been tempered slightly by some issues on the roads outside and around the school. **Please do your part to support the safety of our pupils and wider community**. Parking over neighbouring driveways and on double yellow lines and zig zags may provide a temporary fix for those who choose to do so but can have a detrimental impact on other children and families. Your understanding on the importance of this issue is very much appreciated.
