Friday 30<sup>th</sup> January 2026

Dear Parents and Carers,

So much has been happening here during this wet January. It truly has been a pleasure welcoming the children back into classrooms full of energy, curiosity, and enthusiasm.

We would like to congratulate our pupils on the excellent strides they have already made this term. They have settled quickly into routines and shown positive attitudes towards learning, maturity, and a willingness to support one another. These early achievements set a strong foundation for the weeks ahead as the curriculum steps up to the next stage in their learning. We are very proud of them all.

We would like to remind parents and carers that **Parents' Evening will take place on 10th February and 12th February** bookable via Arbor. These evenings provide a valuable opportunity to celebrate the great work your child has produced so far and to discuss their learning and progress this term. Please ensure that you have booked your time slots if you have not done so already as it is always so lovely to be able to meet with everyone's parents and carers to also focus on next steps and celebrating the whole child. We look forward to welcoming you into school.

We kindly encourage all parents and carers to read regularly at home with their children and to make the most of your local library, which many of our pupils have already visited as part of our local area studies. Reading together helps to develop creativity, imagination, and a lifelong love of books. These shared moments are vital in nurturing confident readers and supporting children's learning across all areas of the curriculum, while also allowing families to enjoy the simple pleasure of reading together.

We would also like to acknowledge the continued presence of the Civil Enforcement Officer around our school as part of our ongoing work to ensure the safety of our children. We hope this support continues, as it plays a vital role in reminding all users of our local roads to park safely and considerately, particularly during busy drop-off and collection times.

Our sincere thanks go to the team who organised and led the second-hand uniform sales. Across the last two sales, over £100 has been raised, providing much-needed and urgent funds for the school. Your time, effort, and commitment are greatly appreciated, and these initiatives make a real difference to our school community.

WE HAVE  
ACHIEVED

MOSAIC  
SCHOOLS LEARNING TRUST

We are also delighted to welcome our new Bee Keeping club to our school where we will soon be ensuring the arrival of our new hives. This is an exciting development and will have a positive impact on our local area while providing a wonderful learning opportunity for the children. Through this project, pupils will learn about the importance of Bees, biodiversity, and how we can all play a role in protecting our environment. We look forward to sharing this journey with you.

Thank you, as always, for your continued support and partnership. Together, we look forward to a happy, successful, and rewarding term ahead.

### This week we have celebrated Values Assembly

Class	Child's Name	Value
Acorns	Elliot	Effort
Conkers	Gracie	Effort
1 Lime	Emer	Effort
1 Oak	Ethan	Honesty
