Friday 6th February 2026

Dear Parents and Carers,

I'm writing to inform you that our annual Parent/Carer survey is now live on Microsoft Forms. Parent/Carer voice plays a huge part in the continued success and improvement of Wickham Common, so we take the results of this survey exceptionally seriously.

This year, we have reduced the number of questions that have to be answered to 7, with opportunities for you to expand on your answers further should you wish. To help facilitate your engagement with the survey, iPads will be available during our upcoming Parents Consultations for anyone who would like to complete it on site. For those of you who would prefer to complete it from the comfort of your own home, you can do so by clicking the link [here](#).

On the subject of parental voice, we would like to consult with you about a potential change to our school uniform. We are aware that it is becoming increasingly difficult to source the green skirts – an issue mirrored by the local suppliers that we liaise with. We understand that the scarcity of Wickham Common green tracksuit bottoms for outdoor PE sessions can also be a challenge for parents. As such, we'd like to glean your feedback about altering our expectations around these particular uniform items. If you would like to share your opinion on this matter, please do so by clicking the link [here](#).

Both of these surveys are live now and will remain open until Friday 6th March.

Many thanks, in advance, for taking the time to share your opinions with us.
