Other School News

Year 5&6 Lacrosse Competition

Twenty-four children from Years 5/6 attended a lacrosse competition at Poverest School on Wednesday. We had three teams, who each competed in 4 games. All the teams played excellently showing determination and great teamwork. We attacked strongly with some superb passing, which allowed us to score many goals, and we also defended in numbers. Our more experienced players helped throughout leading players that were new to playing competitive matches. The morning was a great success and enjoyed by all.

Year 2 Gymnastics Competition

On Tuesday Year 2 gymnasts competed in a gymnastics competition on the vault and on the floor performing different routines. They showed amazing agility, co-ordination, control and balance. They all enjoyed the experience, and everyone came away with a shiny, gold medal.

Well done to Lacey C, Tabitha S, Rose O, Teigan E, Logan T, Ivy P, Emer H and Margot G. Mrs Gemma Carter helped the children throughout and was delighted with their performances. A huge thankyou to Mrs Carter for her help and support.
