

Hive Arts and Crafts Club is a fun after school club run by experienced artists and crafters. We hope to inspire and encourage creativity in children using all kinds of artistic mediums. From drawing and painting, to sculpture and textiles, papercraft and printing to name a few. The projects are displayed along the Art room corridor like an exhibition, which the children love to see and feel proud of and then all work is returned at the end of each term. It runs for Year groups 1-6 on Mondays and Tuesdays after school until 4.25pm. If your child is interested contact Melissa 07950557358 / melissabecky@hotmail.com
